

 VERMONT DEPARTMENT FOR CHILDREN AND FAMILIES CHILD DEVELOPMENT DIVISION	<h1>GM: 10.4</h1>
Children's Integrated Services Guidance Manual	Chapter 10: Nursing Services
Updated as of: June 2016	

Prior Approval for CIS Nursing Services

The need for prior authorization for nursing services is waived under the following conditions:

- The frequency and duration of visits are listed on the One Plan Service Grid
- Visits are directly related to achievement of at least one One Plan goal
- The One Plan has been reviewed and approved by the CIS multidisciplinary team
- The CIS Primary Service Coordinator has signed off on the plan

Services will be monitored by the local CIS team, which includes active representation by the VDH MCH Coordinator, during the six month and annual One Plan review, at a minimum.

The revenue code **780** that was established for outpatient childbirth education classes taught by hospital staff has been active since April 2002. This revenue code is used to bill Medicaid for classes attended by pregnant women who are enrolled in Medicaid or Dr. Dynasaur insurance.
