Children's Integrated Services Guidance Manual	Chapter 11: Family Support
Updated as of: June 2016	

## Prior Approval for CIS Family Support Services

---

The need for prior authorization for family support services is waived under the following conditions:

- The frequency and duration of visits are listed on the One Plan Service Grid
- Visits are directly related to achievement of at least one One Plan goal
- The One Plan has been reviewed and approved by the CIS multidisciplinary team
- The CIS Primary Service Coordinator has signed off on the plan

Services will be monitored by the local CIS team during the six month and annual One Plan review, at a minimum.
