1	I think it's essential that we bring in other folks working in workforce development in the early childhood system if we want to make this an "early childhood" vision and mission statement. If it will be a vision/mission for CIS I think we're in excellent shape as is.	10/18/2016 11:58 AM
2	Natalie and Danielle did an amazing job of facilitating a collaborative work meeting with professionals from a variety of backgrounds and positions. Everyone was heard, everyone got to make a meaningful contribution and progress was made in the direction of better outcomes for children and families and their providers.	10/5/2016 11:10 AM

1	This one was hard to understand but we eventually got to a point to discuss. Example of using the framework helps in launching a discussion. we get tripped up on language so common definitions is another way to help get folks on the same page.	10/6/2016 9:34 AM
2	Good opportunity for small group work to share back to the larger group. Well organized use of time.	10/5/2016 11:10 AM
